ungex.com®

Demodex Defence Cleanser (DDC)

The DDC is formulated for versatile use on the scalp and/or face & body to help create a hostile environment for Demodex mites by balancing the skin's oil distribution and thus depriving Demodex of their food source, leaving your skin feeling fresh.

Approx. Supply: **1 month**
 Style: **Single**
 Suitable for: **Scalp, face & body**
 Size: **125ml x 1**
 Price: **US \$ 99.00**

Demodex Hair Tonic (DHT)

The DHT helps control the density of Demodex on the surface of the scalp as well as soothe itchy or irritated scalp. Contains hair growth properties for use exclusively on the scalp to support the treatment and maintenance of Demodex mite populations.

Approx. Supply: **1 month**
 Style: **Single**
 Suitable for: **Scalp**
 Size: **125ml x 1**
 Price: **US \$ 169.00**

Skin Demodex Treatment (SDT)

Sadly, we are saying goodbye to SDT and no longer stocking it. Kits that previously included SDT have received an upgrade to PDT in its place and Bundles that previously included 2 SDTs have received 1 PDT + 1 DDC in its place, allowing you to get more value.

Status: **OUT OF STOCK**
 Size: **125ml x 1**
 Price: **US \$ 99.00**

Pro Demodex Treatment (PDT)

The PDT helps kill Demodex mites on contact when used in daily/nightly routines. Also suitable to stop cross-transfer when applied to fabrics that come into contact with affected areas (towels, combs, pillowcases, etc.) Suitable for use to help prevent Demodex mites within the home and clinic.

Approx. Supply: **1 month**
 Style: **Single**
 Suitable for: **Scalp, face, body & fabric**
 Size: **125ml x 1**
 Price: **US \$ 239.00**

BUNDLES & ESSENTIAL KITS

US Dollar (US \$)

www.ungexau.com | info@ungex.com.au | +61 4 9747 2333

OZIDEX PROCUTiN 200ml

Procutin is an exceptional skin and surface spray formulated to help eradicate Demodex mites from your skin and its surrounding environment.

It is gentle to the skin, safe for long and short-term use, and will cause no harm to its user- unless you are a mite!

Procutin is comparable to Pro Demodex Treatment (PDT) and can be used alone or in conjunction with the Ungex Protocol.

Approx. Supply: **2 months**
 Style: **Single**
 Suitable for: **Scalp, face, body & fabric**
