## Demodex Defence Cleanser (DDC)

Formulated for versatile use on scalp and/or face & body to help create a hostile environment for mites by balancing the skin's oil distribution and thus depriving Demodex of their food source, leaving your skin feeling fresh.

Approx. Supply: **1 month**  
Style: **Single**  
Suitable for: **Scalp, face & body**  
Size: **125ml x 1**  
Price: **A\$89.00**

## Treatment Hair Tonic (THT)

Help control the density of Demodex mites on the surface of the scalp as well as soothe itchy or irritated skin. Contains hair growth properties for use exclusively on the scalp to support treatment and maintenance of mite populations.

Approx. Supply: **1 month**  
Style: **Single**  
Suitable for: **Scalp**  
Size: **125ml x 1**  
Price: **A\$189.00**

## Skin Demodex Treatment (SDT)

Hit mites where it hurts by using nightly to aid in killing Demodex mites as they come to the surface of the skin and gradually reduce populations by repeated exposure to the Skin Demodex Treatment. Formulated for sensitive skin.

Approx. Supply: **1 month**  
Style: **Single**  
Suitable for: **Scalp, face & body**  
Size: **125ml x 1**  
Price: **A\$159.00**

## Pro Demodex Treatment (PDT)

Helps kill mites on contact when used in daily/nightly routine. Also suitable to stop cross-transfer when applied to fabrics that come into contact with affected areas (towels, pillows, etc.) Suitable for use to help prevent mites within the home & clinic.

Approx. Supply: **1 month**  
Style: **Single**  
Suitable for: **Scalp, face, body & fabric**  
Size: **125ml x 1**
